

10.103(10) Dane County Zoning Guide for Domestic Fowl

The keeping of up to 8 female chickens, ducks, or quail, collectively domestic fowl, is a permitted use on any single family or duplex residential lot in any zoning district in Dane County.

To ensure that the keeping of domestic fowl is done in a responsible manner that protects the public health, safety, and welfare and avoids conflicts with neighboring uses, Dane County Zoning enforces the following requirements:

- ✓ Roosters are prohibited.
- ✓ No slaughtering of domestic fowl shall occur on a residential property.
- ✓ Fowl must have access to a covered enclosure.
- ✓ Fowl may not roam free and must be kept in a covered enclosure or fenced enclosure at all times.
- ✓ Such enclosures must be clean, dry, and odor-free, and kept in a manner that will not disturb the use or enjoyment of adjacent lots.

Dane County Zoning permits are required prior to placing covered residential chicken enclosures on properties. The table below provides the requirements for such structures:
